Are you sick, feelie, and complaining? Are you out of order, with your system danaged, and your feelings uncomfortable? These symptems are often the preside to serious illness. Some fit of sichness is creeping upon you, and should be averted by a timely use of the right remely. Take Ayer's Hills, and cleanse out the disordered his mores—purify the blood, and let the finites move on uncharacted in health again. They attimulate the functions of the bedy into vigorous activity, purify the system from the obstruction which make successive the system from the obstructions which make merchare in the pody, and observed the register of the following the system from the obstructions which make merchare in the pody, and observed. of the body into vigorous within the contraction of the contractions which make disease.
